

Questions and Answers, Part 2 – Wetlands, Waters of the US, and Threatened & Endangered Species Master Contract 2012

Date: February 9, 2012

County: Statewide

Project Description: Provide Wetlands, Waters of the US, and Threatened & Endangered Species Assessment Services - Statewide.

Dates Published in Clarion Ledger: February 1st and 8th, 2012

From: Scot Ehrgott, P.E. – MDOT Director of Consultant Services

Question #1: Who is/are the current incumbent(s)?

Answer: This is the first time we have advertised for this Master Contract. We do not have any incumbents for this Master Contract.

Question #2: Who was the previous contractor(s)?

Answer: This is the first time we have advertised for this Master Contract. Therefore, no previous consultants exist for a previous Master Contract.

Question #3: What was the total spend under the current contract period?

Answer: This is the first time we have advertised for this Master Contract. Therefore, we do not have an existing Master Contract for this specific type work.

Question #4: How many awards will be made?

Answer: That is unknown. The selection committee will determine that information based on their evaluations.

Question #5: If more than one, please describe procurement process?

Answer: The procurement process will be a qualification based procurement process. Consultants will be scored and evaluated based on the factors listed in the Legal Ad.

Question #6: Can you please describe the evaluation criteria to be used for awards?

Answer: [The evaluation criteria are identified in the Legal Ad.](#)
