

NOTICE OF BENTLEY TRAINING FOR SMALL ENGINEERING FIRMS
HOSTED BY MDOT – SEPTEMBER 26-29, 2011

MDOT intends to administer a “Small Firm” program for engineering services in the future. Small firms are recognized as those firms meeting the guidelines established by the Small Business Administration (SBA). The MDOT recognizes that many small firms across the state do not currently utilize the software required by MDOT to develop design plans. Therefore, in order to assist small firm engineering consultants, the MDOT will be offering Roadway Design Microstation & GeoPak Road Basic training to Small Firm Consultants as follows:

Dates: September 26-29, 2011

Location: Downtown MDOT Administration Building (401 North West Street, Jackson, MS); 2nd Floor IS Training Room

Times: 8:30 AM to 4:00 PM (consultants are responsible for their lunch)

Prerequisite Training: Basic Microstation Training is a pre-requisite to this class. For those of you who have no experience with Microstation, a self-paced training guide can be found at the FTP site mentioned below along with installation instructions for Microstation, GeoPak (Civil Software), & Roadway Design’s custom CAD files.

Training Material, Installation Instructions, & RWD Microstation custom CAD files:

Go to the following website: <http://ftp.mdot.state.ms.us>

Click on Download a File

Click on Roadway_Design

Click on RWD_Files

Click on 2011-04-V8iSS2

Click on each of the following

 \CADD_Training – Microstation Self-Paced Training Guide

 \ Menus – RWD’s Custom Microstation CAD files

 \Software – Microstation Prerequisite software, Microstation Version SS2, & GeoPak Suite Version SS2

Install Help.doc – Installation instructions for Microstation, GeoPak, & RWD’s custom CAD file

NOTICE OF BENTLEY TRAINING FOR SMALL ENGINEERING FIRMS
HOSTED BY MDOT – SEPTEMBER 26-29, 2011

Registration: If your firm will be represented at this meeting, please email the following information by September 6th, 2011 to Scot Ehgott at sehgott@mdot.state.ms.us .

Name of Firm:
Location of Office:
Name of Attendee:
Phone Number:
E-mail Address:
Are you a “small firm”: (Yes / No)

Class size will be limited to 1 person per consultant on a first-come-first-serve basis for small firms. If you would like to send more than 1, contact me after September 6th and I’ll let you know if we have additional space. Additional attendees of larger firms may be also considered if room is still available after September 6th, 2011. However, small firms will be given preference first.

Temporary License: Microstation & GeoPak licenses will be provided by MDOT to Small Business Firms if needed for this prerequisite training by filling out the form entitled “[Consultant Request Form for Bentley temporary License.pdf](#)” and e-mailing it to Scot Ehgott. A license file will be e-mailed by MDOT to the requestor that will expire on September 30, 2011. The license file will also contain installation instructions for the license.

Additional Question: Please e-mail any additional question to Scot Ehgott
